High school days are over,
Tomorrow, the world I face.
But I shall cherish my schooldays
For memories can't be erased.

Yes, your high school days are over. It seems only yesterday that you entered Landon for the first time, awed by the newness of it all; yet, today you are graduating. You are ready to begin a business career, or, perhaps, go on to college.

You will want to remember your years in Landon—the friends you made, the activities in which you participated. They are all here, from the excitement of the Christmas dance to the dignity of "Senior Pictures." It is the hope of everyone on the staff of this tenth volume of the Landonian that this book will make your high school days live again each time it is opened.

Landonian

George H. Wood

Principal

B.A., Missouri State Teachers' College
M.A., Northwestern University

George H. Wood.

In the heart of every senior, a special place is reserved for Mr. Wood. During our years in Landon, he has been the personification of all that we wish to make of ourselves. His sincere interest in our personal welfare, as well as his competent administration of school affairs has won the admiration and respect of every student. We are proud to follow the leadership of our principal, Mr. Wood.

Robert Warner

Assistant Principal
B.A., University of Florida

Mr. Warner, in his first year as Assistant Principal at Landon, has made himself a favorite of the student body. His untiring service and wise counsel have earned for him the respect and friendship of all.

Miss Orra M. Eastburn

Dean of Girls

B.A., Carleton College
M.A., Columbia University

"None knew her but to love her,
None named her, but to praise."

—For to know Miss Eastburn is to recognize the traits which have endeared her to us all. Her deep understanding for each student and his problems and her untiring aid in guiding school activities have given her a permanent place in each student's memory.

Since you've looked through our roster of Seniors,
You can see that our time has been full
Of activities, studies, and contests.
We've never had time for a lull.

But these have been only our pictures—
There's much more to tell of our fun.
So turn on the pages still farther
And learn in detail what we've done.

A decorative wavy line with a repeating leaf-like pattern, drawn in black ink, arching across the top half of the page.

KING AND QUEEN

Gerry Smith—The popular "pride of the Senior Girls' Club" became the "pride of the Christmas Dance"—. He was a perfect reigning monarch.

Carol Voss—Her charm and beauty combined to make her reign as Queen of Christmas Festivities, a long to be remembered one.

BEST ALL-AROUND

Tommy Gay—His versatility and popularity mark him as a natural leader, efficient and dependable.

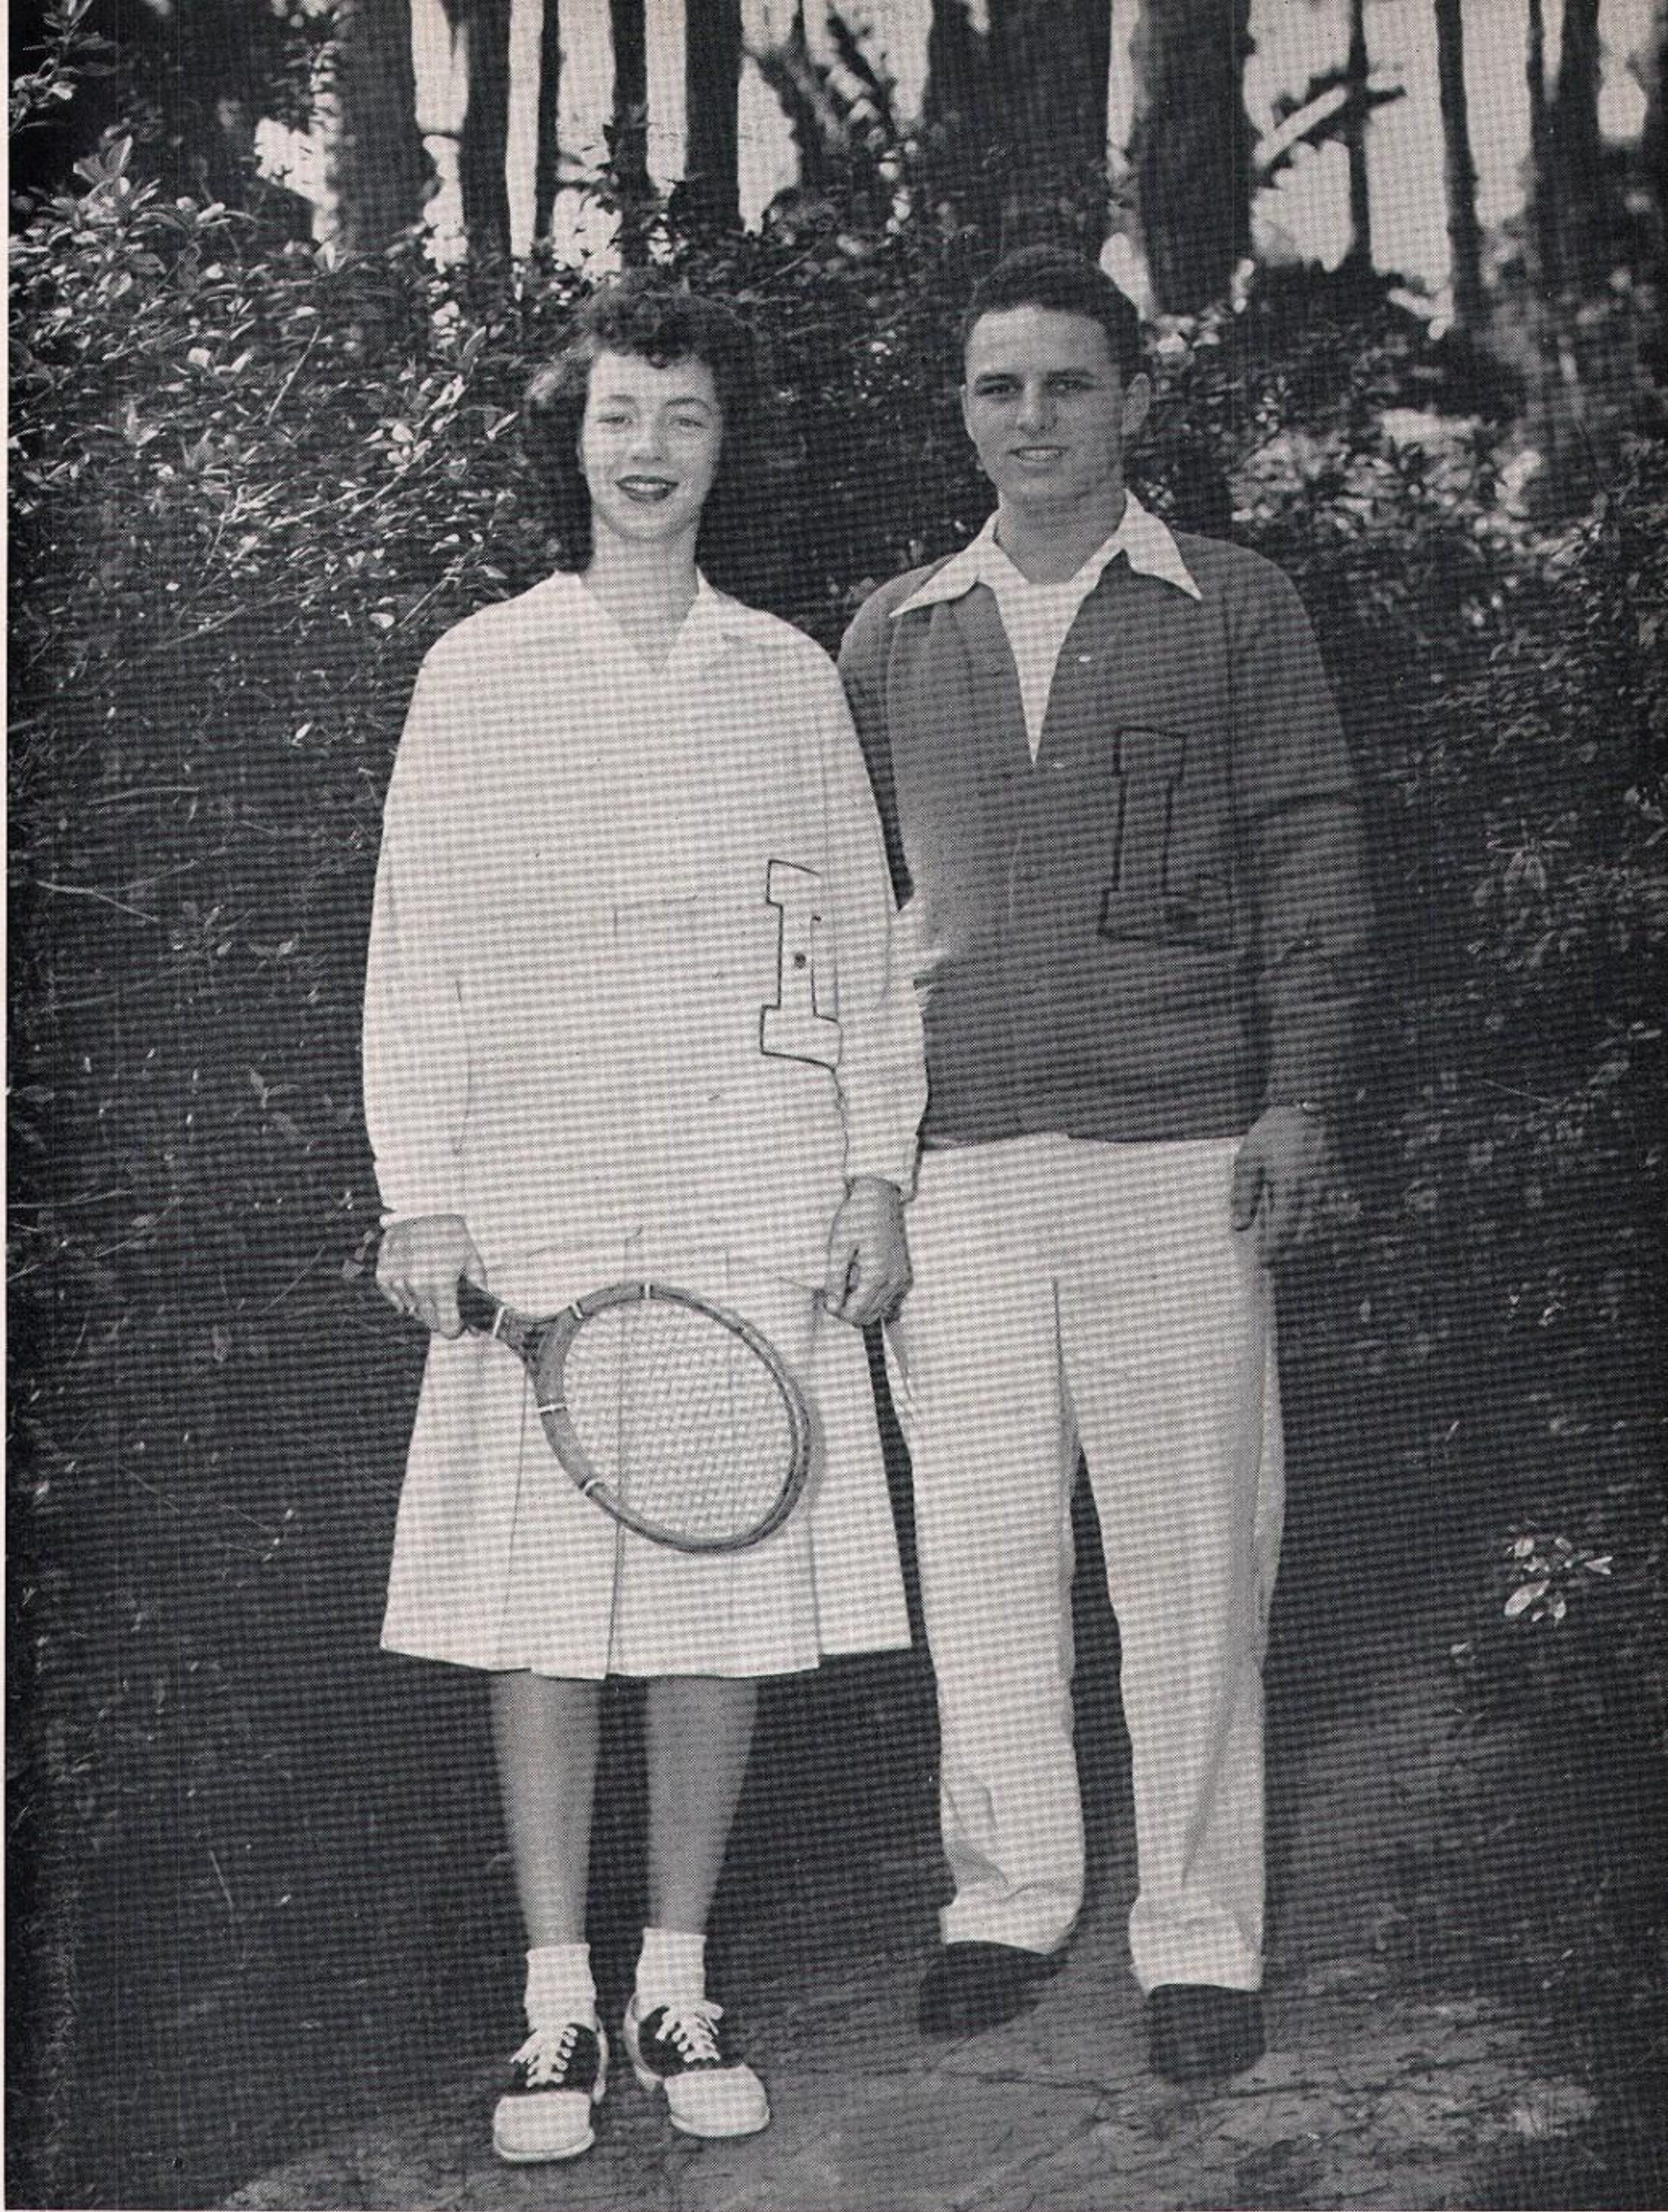

Joanne Carswell—With a finger in almost every pie in Landon, our "Little Jo" has done a good job of making herself indispensable and endearing herself to us all.

MOST INTELLECTUAL

Billy Clarke—Billy has the intellect to assert his ideas, the physique to back them up, and a personality that charms all who come in contact with him.

Patricia Yearsley—Pat's keen mind is only matched by her charming and gracious manner.

MOST ATHLETIC

George Crause—The loyalty, service, and sportsmanship found only in the finest of athletes are evident in George Crause.

Mary King—On tennis court, bowling alley, or softball field, "King" is hard to equal, and when it comes to fun and fellowship, she has no peer.

If we hurry through
lunch, for dessert
—one jam session.

Burned again!

"Eyes on the copy—"

Cap and gown time.
"Do they make 'em
that long?"

"Say your memory work
by Friday." 8:30,
Friday—here we are!

"Shrimp cocktail, a sea
food platter, iced tea,
rolls. . . ." Stardust!

Ready for the old routine
—only 813 hours to go.

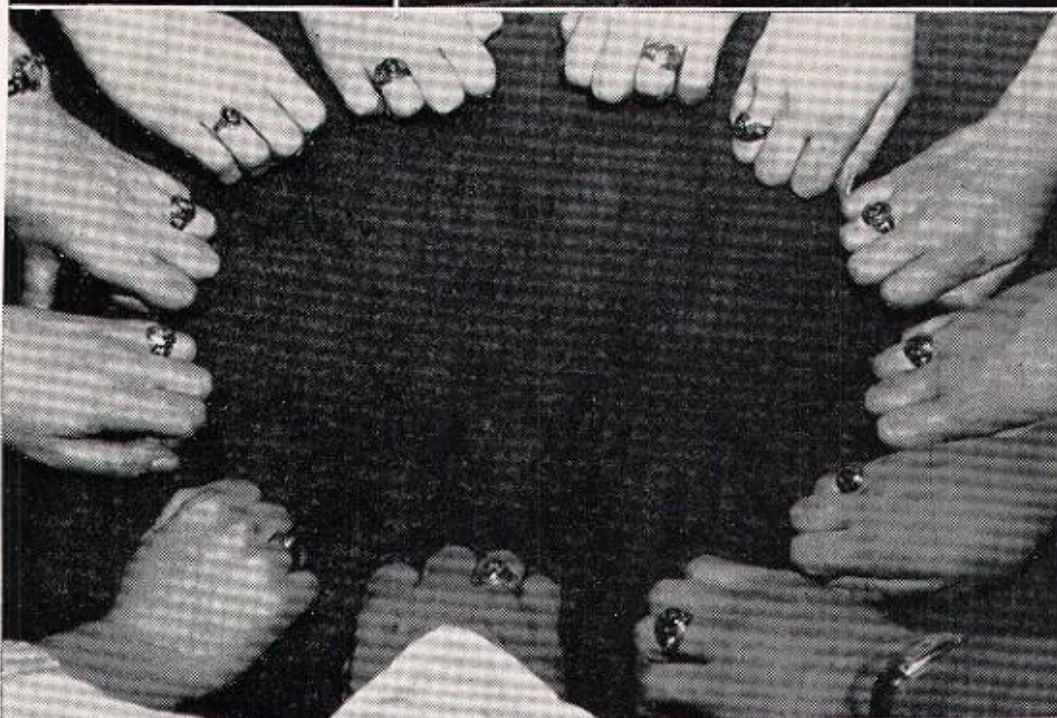

Rehearsals at 3:30 every day; the Festival's one week from today.

Practice for the "home beautiful."

Twelve years (in some cases more) it took to earn these.

Chocolate eclairs? . . . cream puffs? . . . filet mignon? . . . Oh! Cornbread.

Hurry, hurry! Two minutes and two sandwiches to go.

Seniors like their "dogs" cold!

"Mr. Wood, may I borrow your handkerchief for this little trick . . .?"

Don't let it fool you. A Senior's day is too busy for much "sittin' around."

"To him who in the love of Nature holds Communion with her visible forms, she speaks A various language."

Goal—One hundred forty words a minute.

Pictures for the Landonian. This is one way to get out of class.

"Now, in my opinion, the Student Council ought'a"

Stand back! Little Einsteins at work!

The National Honor Society gang put their brains (?) to work.

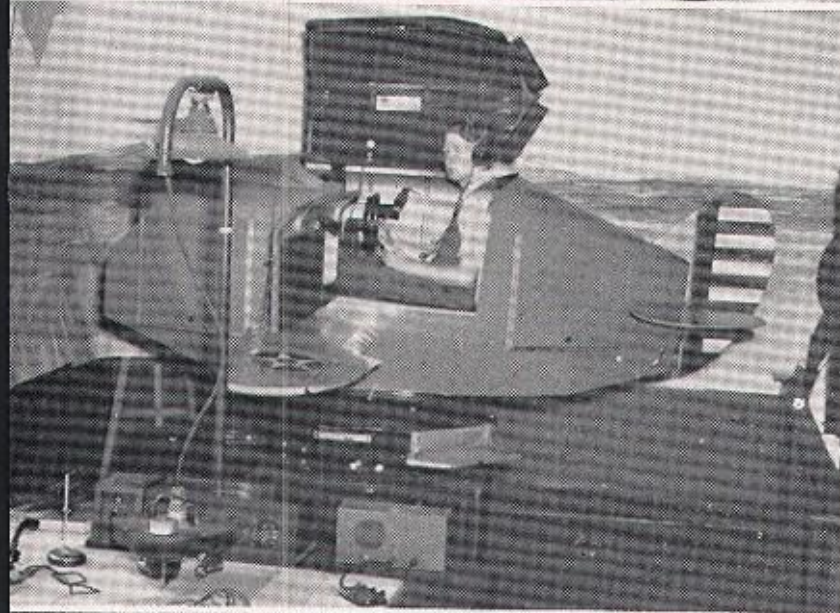

Hey—What do I do now?

And still I read and still my wonder grew . . .
(Our apologies, Mr. Goldsmith.)

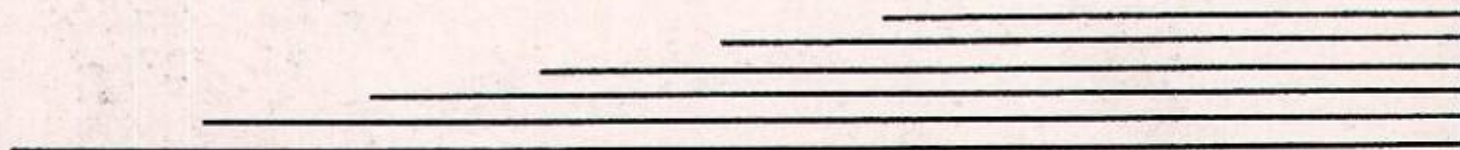

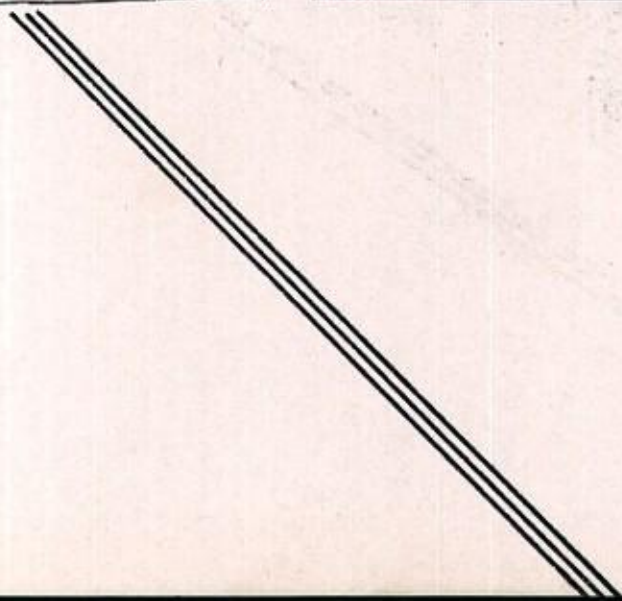

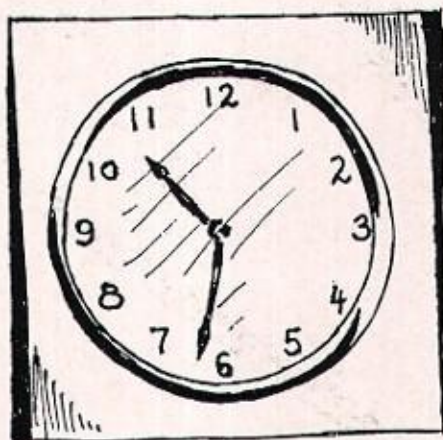

Life Begins at 3:30

School ends at 12:10 for D.C.T. members but—work is just starting.

The Christmas Dance and . . . GUESS WHO?

One of the most important organizations in Landon is the Student Council. To this group of representatives come students' ideas for improvement of school life.

The Council is made up of a representative from each senior high home room, six junior high representatives, and the presidents of the Senior Girls' Club, the Senior Fellows' Club, the Junior Girls' Club, and the Junior Boys' Club.

The purpose of the Student Council is, "To promote means of fuller cooperation between the students and faculty, to promote self-discipline, to assist in the development of school spirit, and to unify the student body."

"To promote friendship among the girls" is the aim of the Senior Girls' Club and it is followed through in their activities. Starting the year with the Senior-Sophomore party, they sponsor the annual Christmas Dance and throughout the year they sponsor tea dances. The girls end their functions with the Senior Girls' Luncheon which climaxes a year of happy memories.

Ah! to be the center of attraction! To hear the applause of your fellow students!—Or perhaps you would rather learn to apply greasepaint or manipulate the spotlights. Whatever your theatrical preference, Landon Players is the club for you. The aim of Landon Players is to provide an opportunity for each member to progress in the particular phase of theatre which interests him most.

Several productions, including the Christmas Pageant, the Variety Show, and the Senior Class Play, are sponsored each year by this club.

"Superior Scholastic Standing, Character, Service, and Leadership"

These are the requisites for membership in the National Honor Society, which was organized in Landon to give recognition to the students who have made high scholastic records.

Under the sponsorship of Miss Eleanor Bryant, the members of the Honor Society have rendered a great service to their school by tutoring worthy students who have had difficulty in their school work.

One of the most outstanding clubs is the Senior Fellows' Club, which is open to every boy in the Senior Class. The purpose of this organization is to promote good fellowship and better understanding among the members. This club initiated many worthwhile projects for the betterment of the school throughout the year and also sponsored many social events. The culmination of their activities was the banquet at the end of the year.

The first Hi-Y chapter to be organized in Landon was Alpha Hi-Y, and this club has been adding many honors to Landon's name ever since.

As one of Alpha's service projects for this year, the members painted their meeting room. Not neglecting its social obligations, Alpha has given hayrides, dances, and, as a climax, its annual banquet in the spring.

Beta Hi-Y is a Christian organization consisting of senior high boys. It is indeed an honor for any boy to hold membership in this fine club. "To create, maintain, and extend throughout the school and community, high standards of Christian character" is the purpose of the Hi-Y's of America.

Each year Beta takes part in the World Wide Week of Prayer, sponsored by the Y. M. C. A., by conducting several morning services. This year the state Hi-Y convention was held in Jacksonville and several members took active parts in the meetings. A most successful year was brought to a close with the annual banquet.

The newest Hi-Y organization in Landon is Gamma Hi-Y, which has certainly lived up to its aim, to be a fine example of the Christian organizations known as the Hi-Y's.

This Hi-Y has not only sponsored many worthwhile projects in Landon, but also many enjoyable ones. They sponsored a hayride, barbecue, and several dances in addition to their annual banquet in the spring.

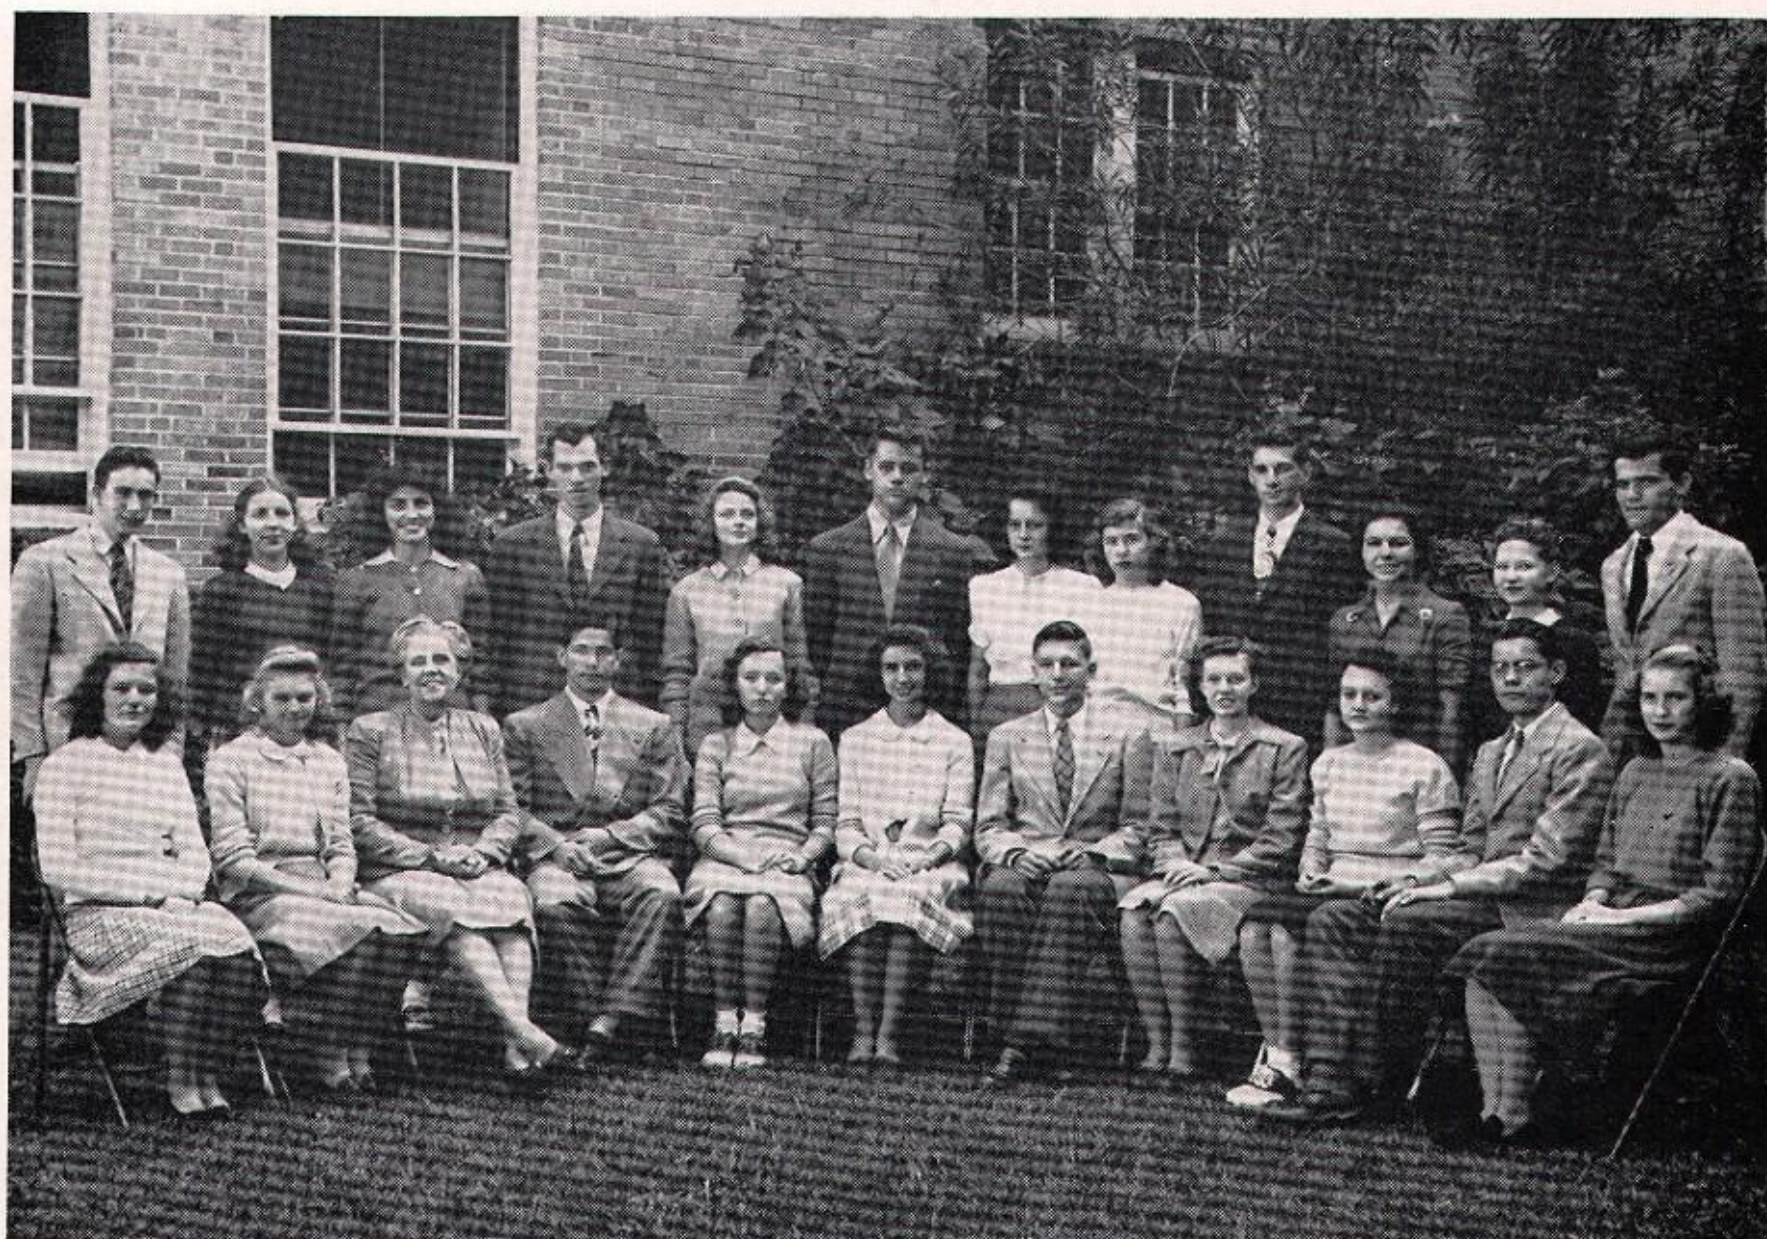

JUNIOR HI-Y

The Junior Hi-Y Club is an organization for boys in the ninth grade only. The boys meet on Thursday evenings at the school, and plan sports activities, welfare projects, and social functions. They are following the good examples set by the senior Hi-Y clubs and they have a club that equals any of the past Junior Hi-Y clubs of Landon.

DIVERSIFIED COOPERATIVE TRAINING

Let us present our "on-the-job training" group of Landon—the D. C. T.'s. This group is not only enrolled in regular class work at school but is employed in training situations with the business firms of the community. Twenty-two different occupations are represented in this D. C. T. group. They are our ambassadors of public relations and good will with the business world.

In addition to this heavy schedule, the members of the D. C. T. prepared a basket for a needy family at Thanksgiving; at Christmas again they sent this family a basket of groceries and individual Christmas gifts. They have contributed generously to each community appeal.

The social activities include: an all-day trip to Silver Springs; an Employer-Employee Banquet in the spring, at which they entertained their employers; a convention of the State Federation of D. C. T. Clubs, of which they were host in May. At this convention contests were held in public speaking, extemporaneous speaking, and spelling.

BOYS' CHORUS

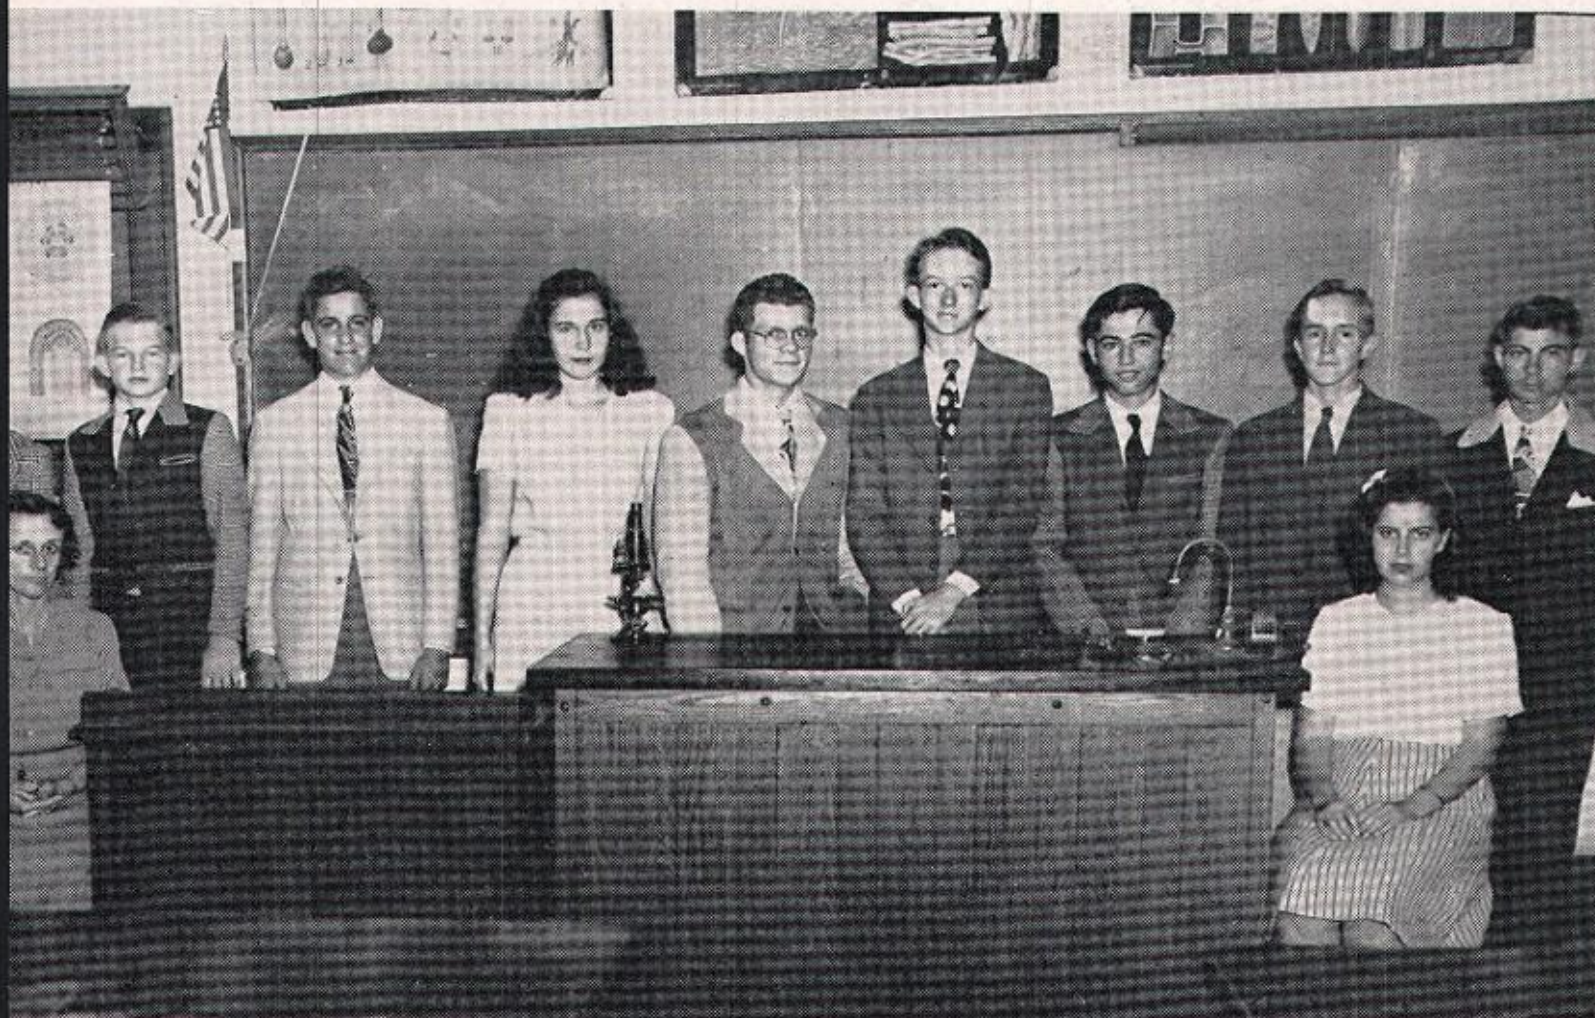

The Boys' Chorus adds a great deal to the musical entertainment at London. This talented group is heard many times during the year as in the Variety Show and Spring Festival. This year everyone enjoyed their contribution to the Christmas Pageant.

Whenever you hear the "Double Fo' and one Mo'," a group of singing lads selected from the chorus, you hear melody personified. The first tenors are Bob Trice and John Maguire; second tenors, Mac Hull, Billy Hendricks, and Billy Schemer; first bass, Byron Vickery and Bill Fisackerly; second bass, Lamar McMath and Marshall Taylor.

FOOTBALL

COACH
BARNEY SEARCY

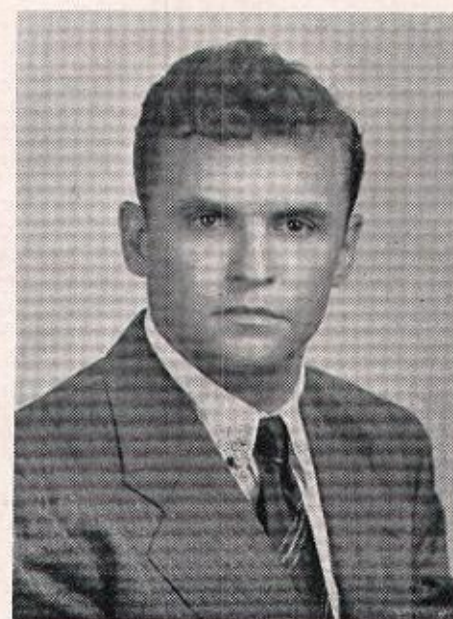

The Landon Lions completed their 1947-48 season with a record of six wins and four losses. Led by Captain Tommy Gay and Alternate Captain George Crause, the Lions, by virtue of their 13-6 victory over Andrew Jackson, for the second straight year wound up in a tie for the City-County Championship.

Under the experienced guidance of Coach Barney Searcy and the keen, watchful eye of Assistant Coach Dan Boring, the Lions had a coaching staff that could be compared with any in the state. Landon is indeed fortunate to have such a well-liked pair as its coaches.

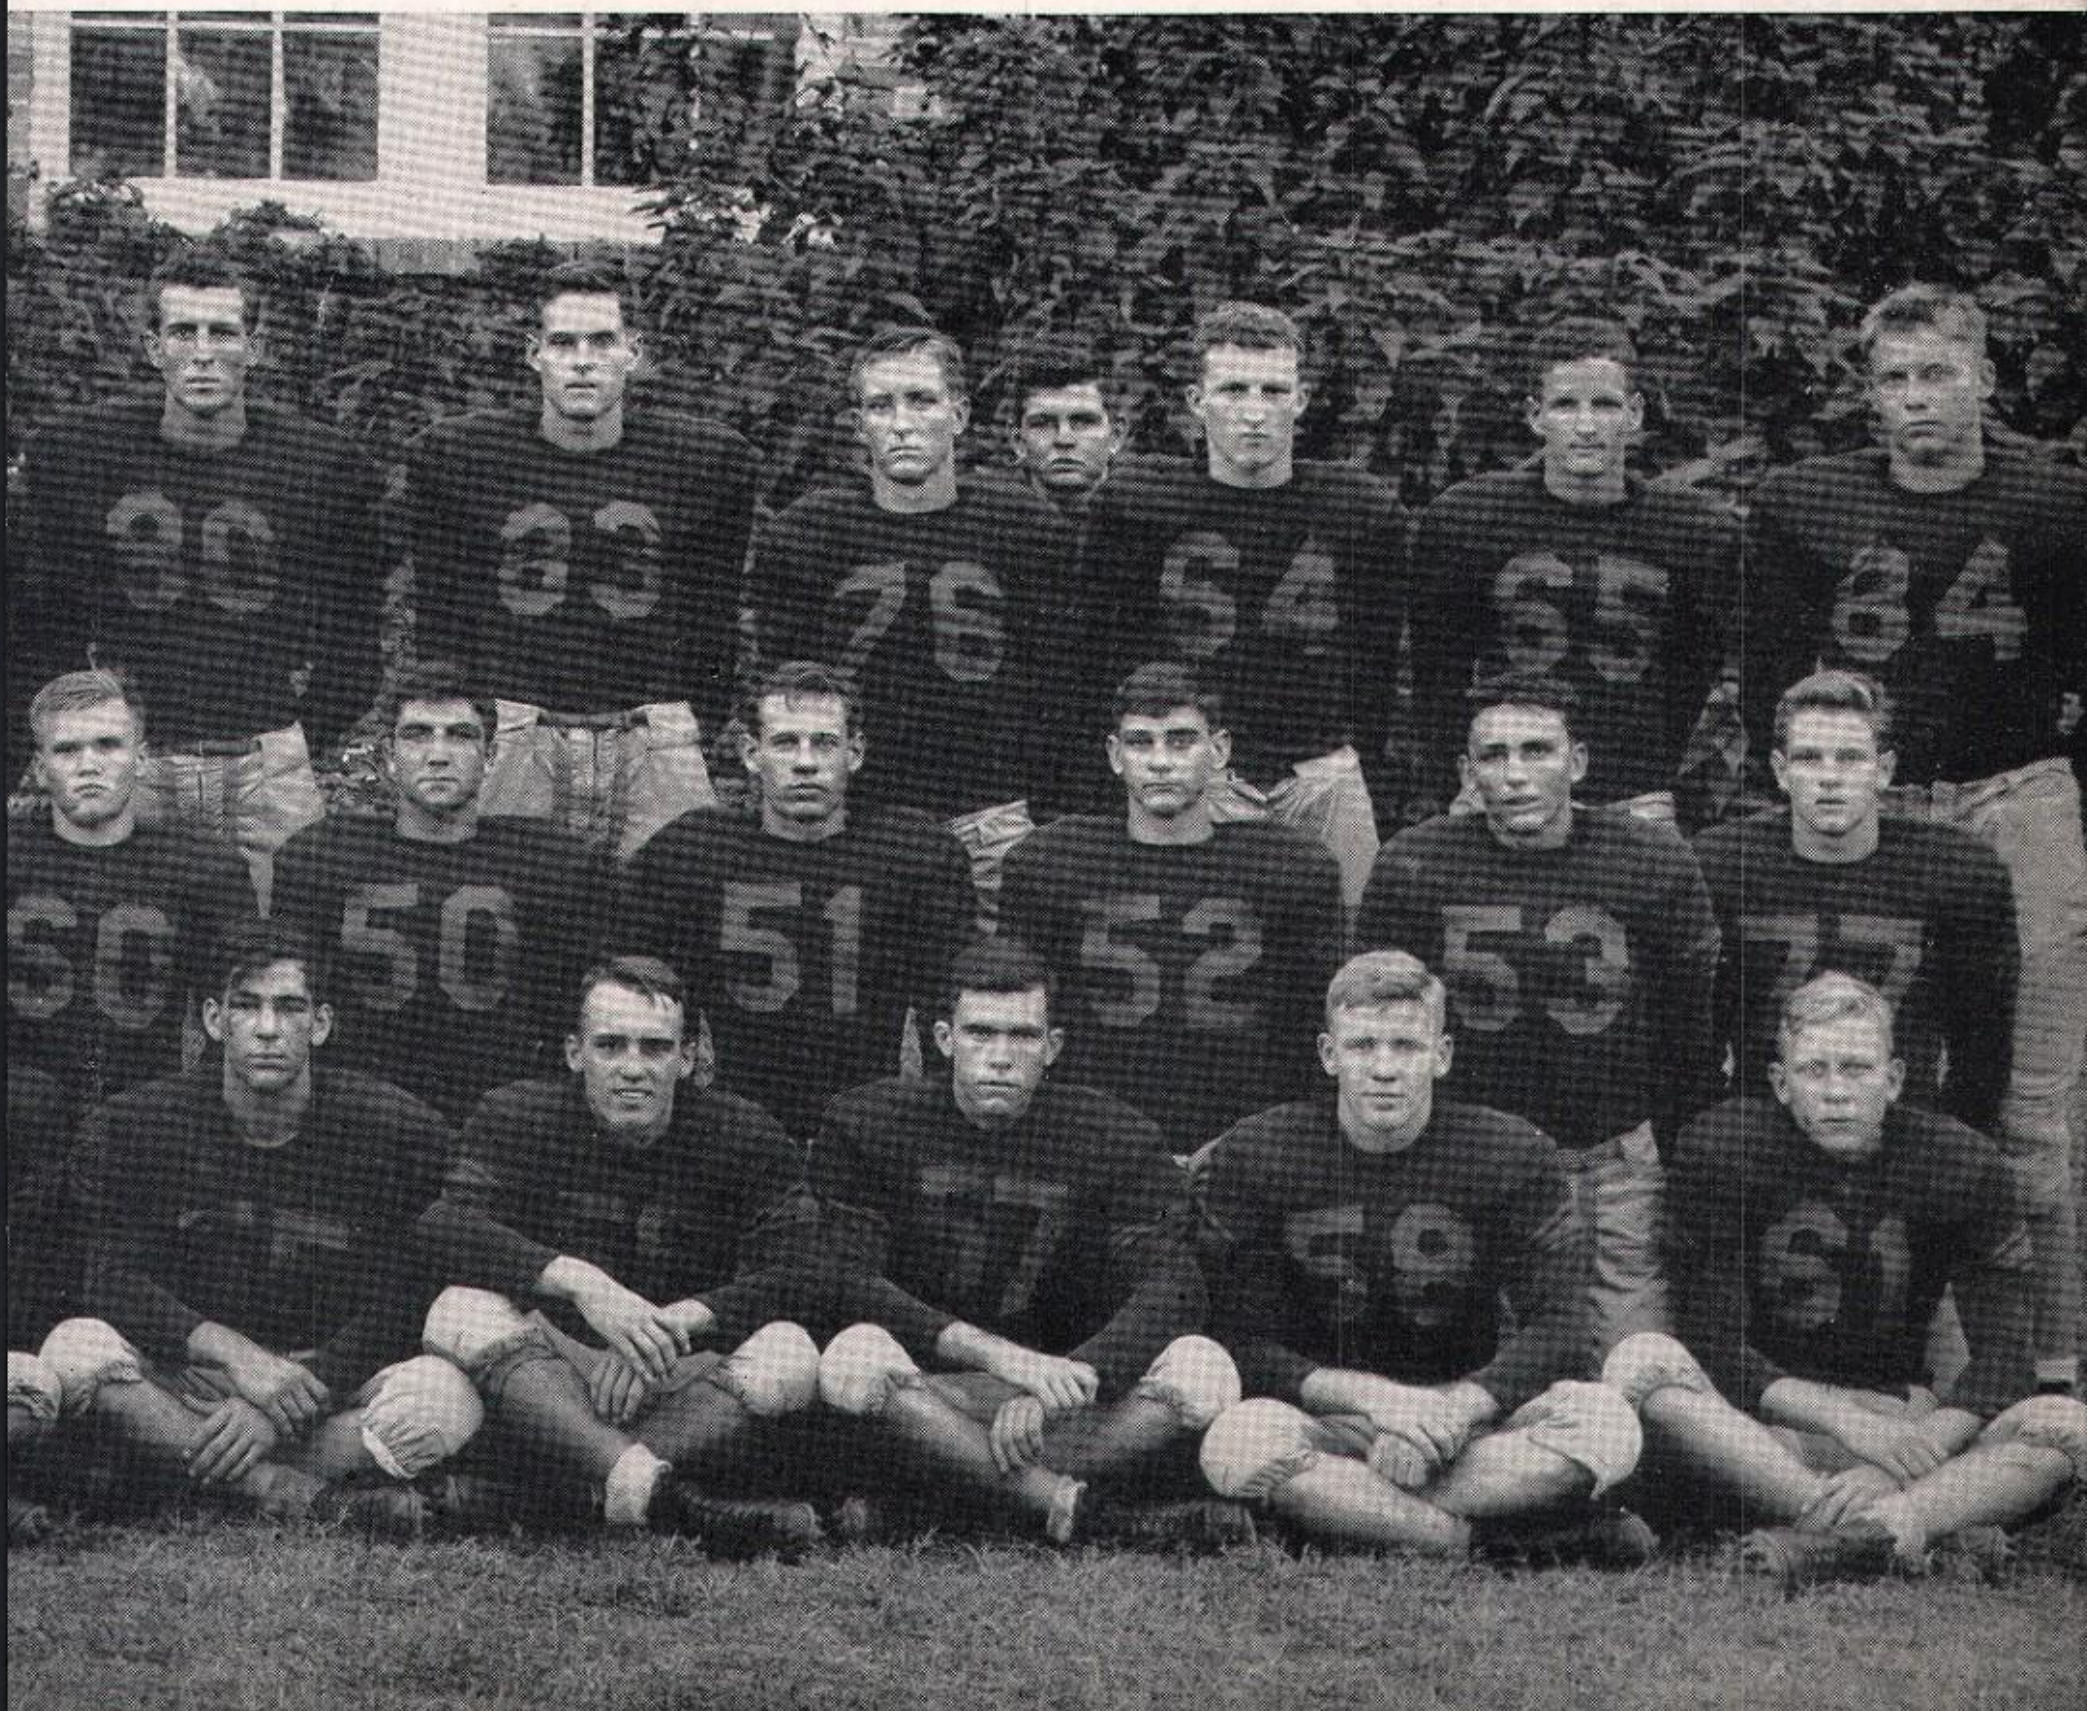

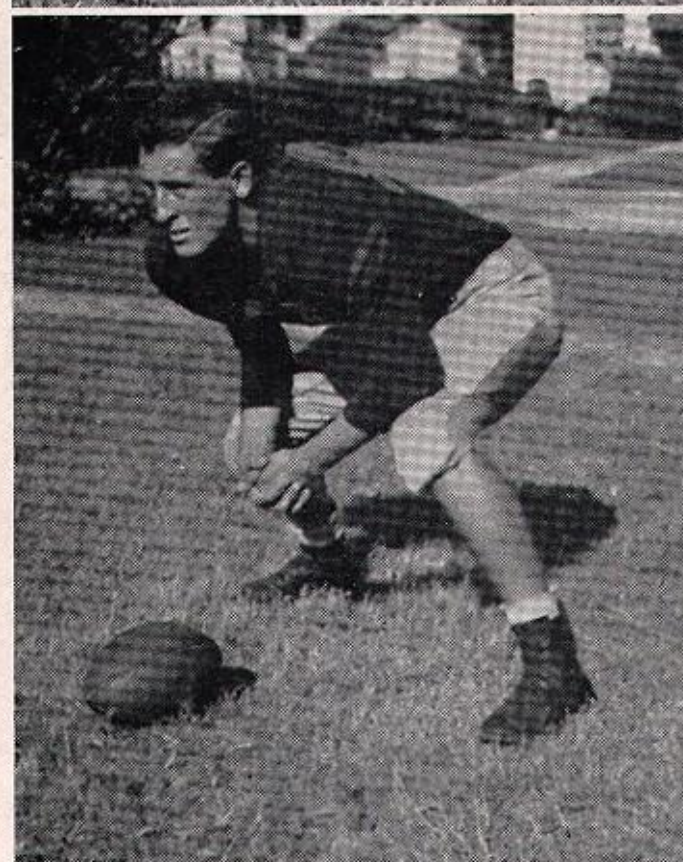

1947 - 1948

School spirit improved greatly as the season got under way and the Lions were well represented whenever the Orange and Black visited other cities. The Lions displayed the best conduct and sportsmanship throughout the season and took defeat and victory in stride, always coming back the next week with the pep and hustle that is typical of all Landon football teams. Although many good players will be lost through graduation, several key men remain to spark the 1948-49 team to a successful season.

Landon vs Lake City

The Lions opened the season with a 25-0 victory over a hard-fighting Lake City eleven. The Tigers made a battle of it all the way; but the Lions, with Mr. Inside and Mr. Outside running at will, had too much power.

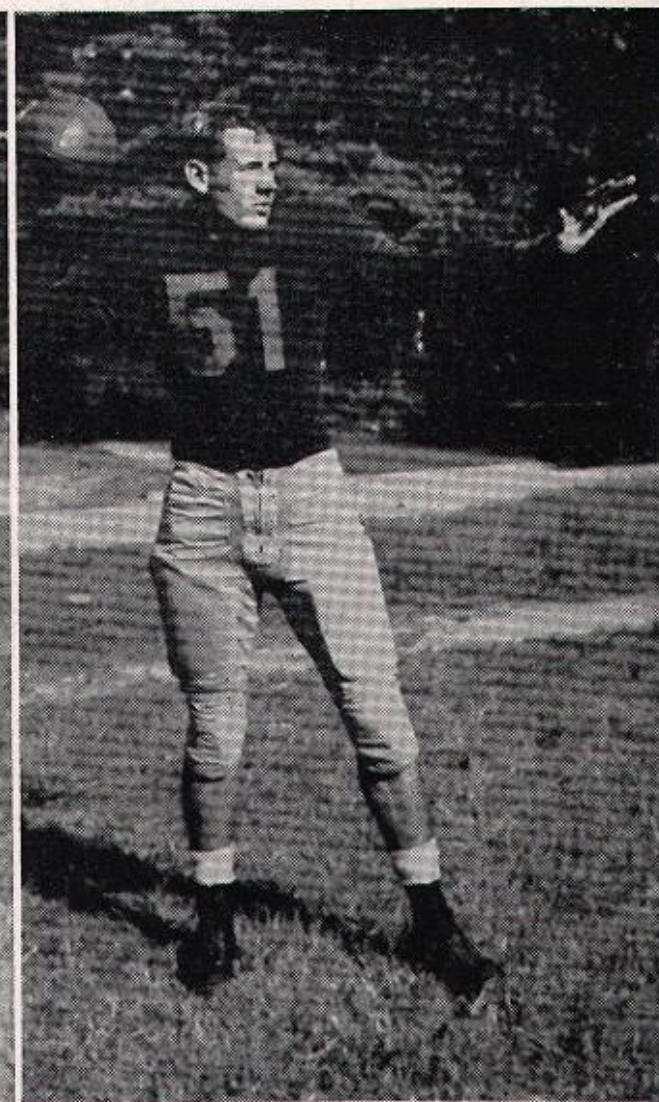

TOMMY GAY

Landon vs Fayetteville, N. C.

The Fayetteville High School eleven came to Jacksonville with one of the strongest high school teams in the South. The Lions played an inspired game the first half and came off the field leading 9-7. In the second half the Tarheel eleven opened up and couldn't be stopped. Although the Lions came out on the short end of a 31-9 score, the game was hard-fought and more closely matched than the score indicated.

BILLY SNEAD

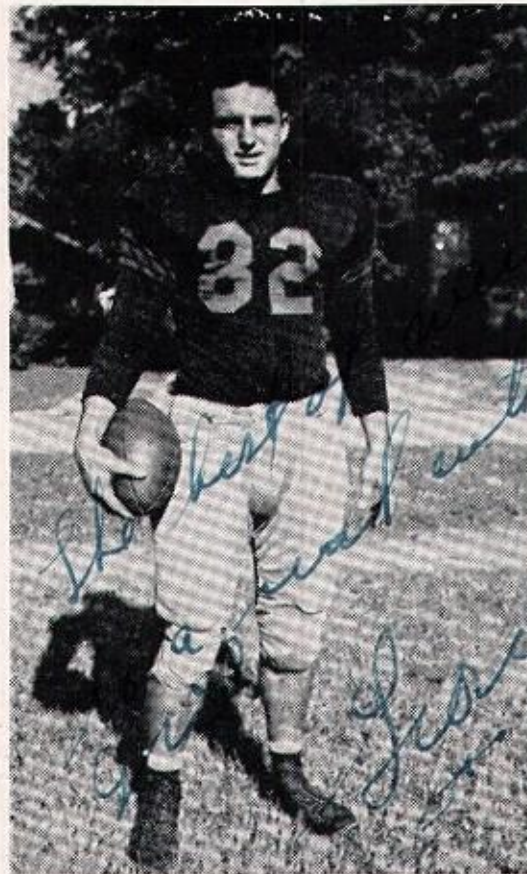

BUDDY FRIEDLIN

Landon vs. Plant

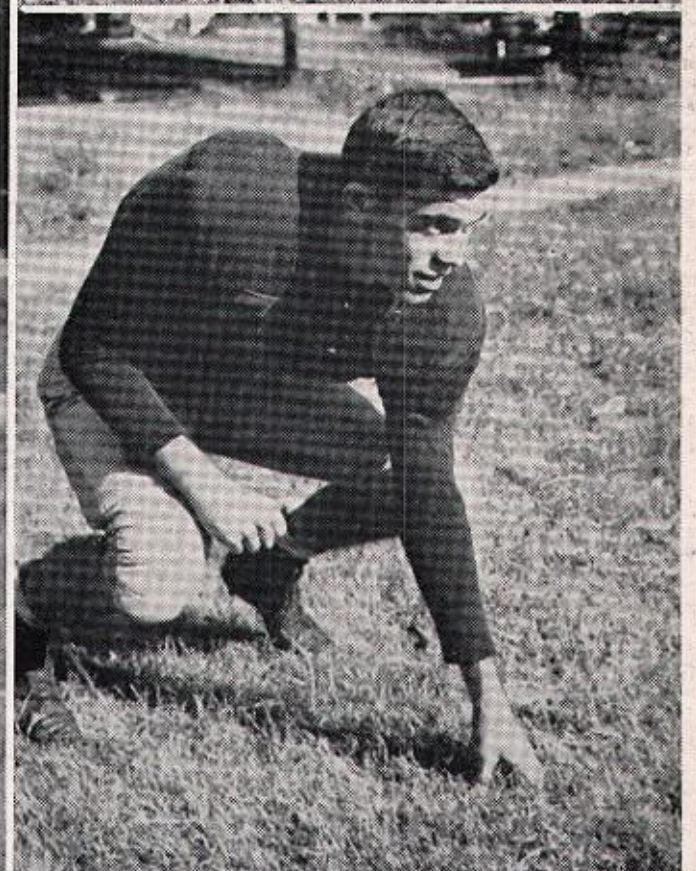

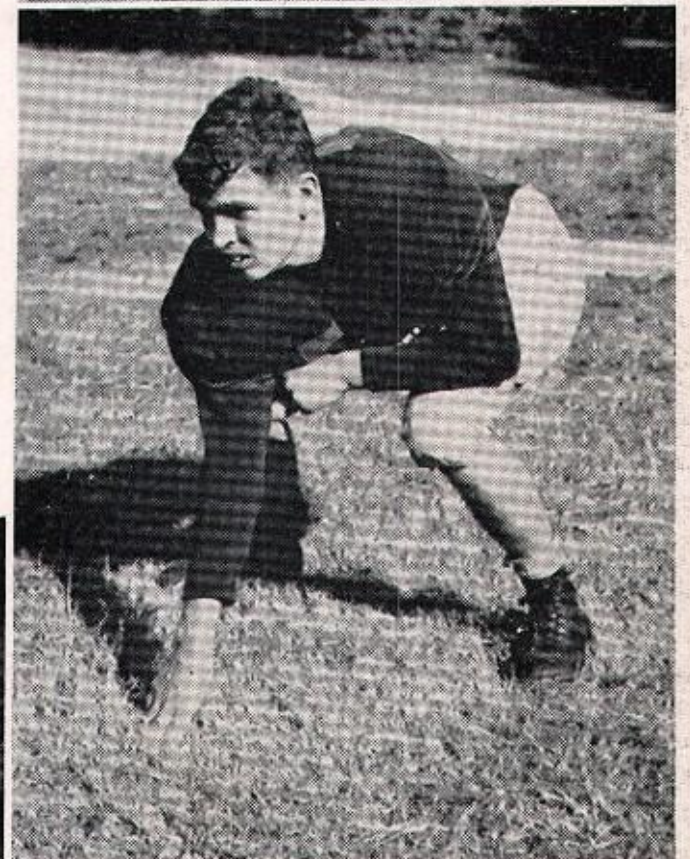

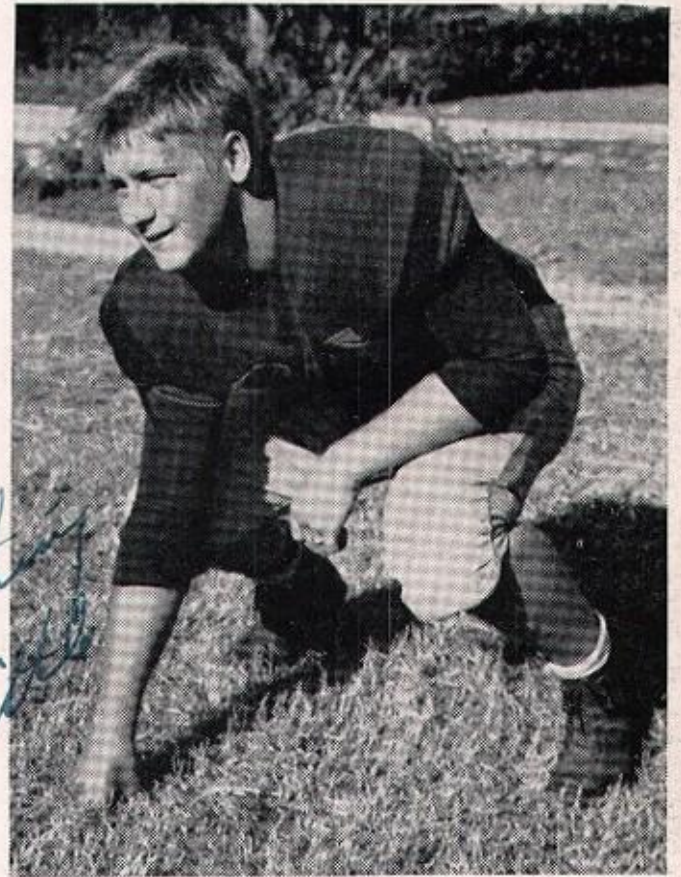

The Lions journeyed to the Cigar City seeking their first Big Ten victory, but the Panthers of Plant High School had other ideas. The Lions uncovered a great passing combination in Billy Snead and Buddy Friedlin who completed 13 of 23 tosses, but were stopped on the ground and Plant came through with a 26-12 triumph.

Landon vs. Miami Edison

Although the match was rated a toss-up before game time, Landon turned on a terrific ground attack and completely crushed a game Edison eleven 26-0. Connie Hartley, Lion tackle, labeled himself as a possible All-State candidate by blocking several Edison punts and playing a whale of a ball game in the forward wall.

Landon vs. Lakeland

The Drednaughts of Lakeland High School came to town seeking their first Conference win in three starts, but the Lions found strength bulging out everywhere and sent the Lakeland boys home with a humiliating 39-7 defeat. The second and third stringers played all of the fourth quarter and gave a good account of Landon's reserve strength.

Landon vs. West Fulton, Atlanta

The Lions, who usually have a hard time with the high schools from Atlanta, had a comparatively easy time with West Fulton and tuned up for their important intra-city clash with Andrew Jackson with a 24-6 victory. Landon hopes were dealt a stunning blow when John Sikes, Lion wingback, suffered a leg injury in the third quarter.

Landon vs. Jackson

Landon opened the fight for the City Prep Football Championship with a 13-6 victory over her bitter rival, Jackson. Relying on the accurate passing of Billy Snead, the Lions scored both touchdowns via the air route. The score could easily have been more if some of Billy's receivers hadn't let the ball slip through their hands time and time again.

Landon vs. Miami Jackson

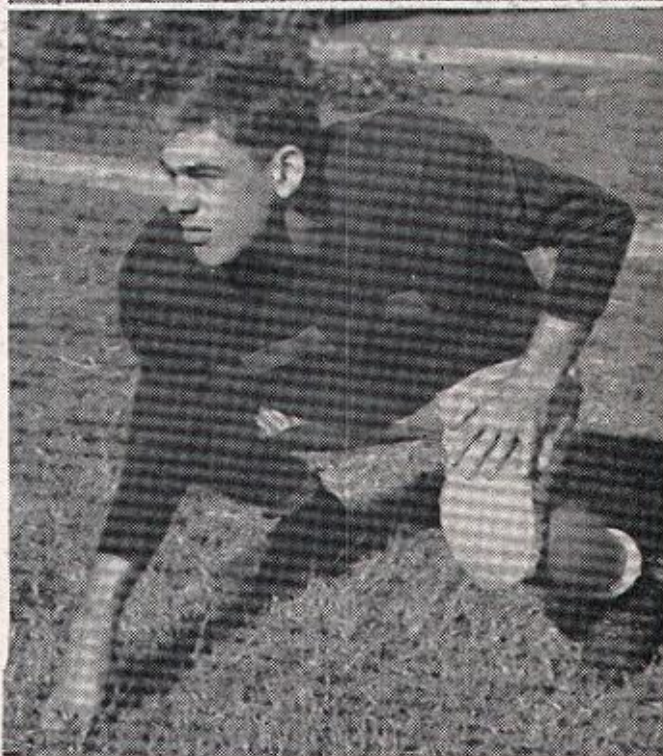

The Lions, with their minds on the Lee game the following Friday, went to the Magic City needing only two victories to win or tie for the Big Ten Championship, but the Generals of Miami came through with a 19-6 victory.

The traditional city-county clash with Robert E. Lee is sad in the memory of Landon students. The powerladen Generals defeated the Lions 35-6 in the Gator Bowl in a hard-fought, grueling battle which saw the brilliant Lee back, David Jones, and the strong Lee line combine to hold the fighting Lions with their vaunted passing attack in submission.

CHEERLEADERS

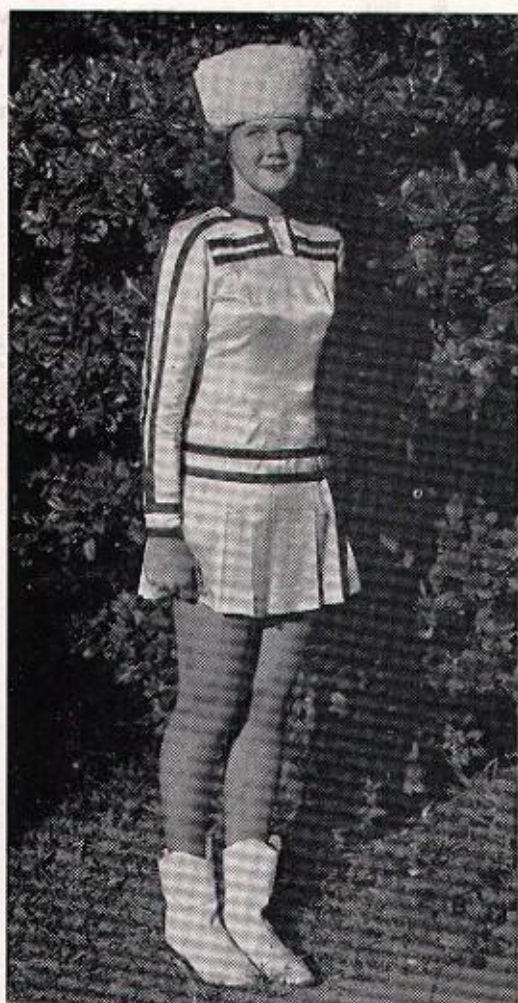

The pep and spirit of Landon vibrated across the football field this year as the 1947-48 cheerleaders went into action. This vivacious group worked hard perfecting their cheers and has been one of the most enthusiastic groups in school. To Byron Vickery goes much credit for his leadership and to each of the eleven members, appreciation for a job well done.

Landon Lionettes

The Landon Lionettes is an all-girl drill team which was organized in 1933 by Miss Kathleen Turner.

This group is famous throughout the state for entertaining between the halves of the football games with spectacular marches and drills. They also march in parades and help in various drives to promote the welfare of their school and their community.

The Lionette season begins just after school opens every year and officially lasts the year round.

Any senior high girl is eligible to become a Lionette if she takes gym and has average grades.

1947-48

Miss Kathleen Turner, as director of this drill team, has distinguished herself for the splendid way in which she has trained the Lionettes so that they win respect and admiration for Landon whether they perform at the Gator Bowl or at any other stadium in the state. As well as directing regular practices on three days of the week, Miss Turner devotes many hours to planning new drills, directing drives, and planning and supervising trips which are the highlights of the season.

"The Best Ever"—that's our band this year! We are proud to see them march out on the football field in their brilliant orange and white uniforms. The band, always ready to support the cheerleaders and Lionettes at football games, is one of the greatest spirit building organizations of the school. They are a sight to be proud of with their drum majorette, Cecil McEachern, and their twirling majorettes. They inspire enthusiasm at pep rallies and parades. Besides their school activities, they play for Commencement and participate in the Armistice Day Parade and the March of Dimes Drive. This year the band entered the North Florida High School Band Contest in Jacksonville.

CONVENIENCE AND SAFETY IN YOUR HOME

What does "Adequate Wiring" mean to you? It simply means enough electric outlets and switches for convenient living; enough electric circuits for serving efficiently and safely all the electric appliances and the better lighting which you will want in your home; electric wires large enough for serving your present and future needs, without loss to you or danger to your home.

You can enjoy "Better Living—Electrically" when you are ready with Adequate Wiring in your home.

WILL YOUR WIRING STAND THE LOAD?

That's a good question for you to ask your electrician.
